DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication filed on 10/11/05 is not fully responsive to the communication mailed 6/6/05 for the following reason: the claims have not been amended properly under 37 C.F.R. 1.121(c)(1)(ii), i.e., the claim set must show all the changes relative to the previous version. In addition, claims must have correct status identifiers and may not be renumbered. For example, claims 5 and 6 in the communication filed 10/11/05 have the status identifier "New" and bear no resemblance to claims 5 and 6 in the amendment filed 5/27/05. In addition, original claim 5 is renumbered as claim 7 in the filing of 10/11/05 and amended, new claims 8-12 are inserted, original claim 6 is renumbered as claim 13, new claims 14-24 are inserted, and original claims 7-10 are renumbered as claims 25-28 and amended. When there is any amendment to a claim, a claim listing of all claims ever presented in the case must be supplied in ascending numerical order (37 CFR 1.121) and new claims must be added after existing claims.

Since the response appears to be bona fide, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to Examiner Marianne DiBrino, Art Unit 1644, whose telephone number is 571-272-0842.
